

Senior Shared Ride Program

Freedom Transit operates the Senior Shared Ride program in Washington County. The service is funded in part by the Pennsylvania State Lottery and The SWPA Area Agency on Aging. It is a non-emergency, pre-scheduled, paratransit shared ride service provided to eligible persons enrolled in the Shared Ride Program. It also provides lift-equipped service as required.

Eligibility

Any Washington County resident age 60 and over who is traveling to a senior center or adult day care facility may travel for no charge. These trips are funded by the SWPA Area Agency on Aging.

Washington County residents age 65 and over can travel to medical facility for 7.5% of the fare, paid directly to the driver. The State Lottery pays 85% of the trips cost, and the Area Agency on Aging pays 7.5% of the trip cost.

If you are age 65 and over and wish to travel for purposes other than a senior center or medical trip, you may do so at a reduced rate of 15% of the total trip cost, paid directly to the driver. The State Lottery pays the remaining 85% of the trip cost. Passengers will be informed when scheduling their ride what the fare, if any, for their trip will be. This fare amount is to be paid directly to the driver each time you enter the vehicle.
