

Rural Transportation Program for Persons with Disabilities (PWD Program)

Freedom Transit operates the Persons with Disabilities (PWD) Program in Washington County. The PWD Program is a paratransit shared-ride service that can be utilized for work, church, shopping, medical appointments, etc. A co-pay is required for all trips based on the distance traveled, and you will be informed of the amount due when you call to schedule your trips. Lift-equipped vehicles are used for this shared-ride service.

Eligibility

Any Washington County resident with a qualifying disability between the ages of 18 and 64, and in need of transportation in the areas that are not currently served by the fixed route bus and/or ADA complementary paratransit service, is eligible for the PWD Program.

- Non-medical out-of-county trips can be scheduled to areas within five miles of the county border.
- Out-of-County medical trips to Pittsburgh area medical centers are scheduled on Pittsburgh area “run times”. Appointments should be scheduled no earlier than 10:00 A.M. and no later than 12:00 P.M. This is a shared ride program, therefore there must be more than one passenger traveling into this area for the trip to be run.
- We do not provide service to the Pittsburgh Airport.
